

Job Vacancy

Floor & Roof Estimator/Designer

Location: Hampton in Arden/Potential for some home working

Hours of Work: 40 hours per week, Monday to Friday

Salary: Competitive + Bonus Scheme

The Role

An exciting opportunity has arisen for an Estimator/Designer to join the team at Wyckham Blackwell.

Responsibility

You will be responsible for producing detailed designs and quotations for our products to meet our customer and business requirements.

Your responsibilities will include;

- Interpret customer requirements to provide professional designs within the timeframes provided ensuring targets are achieved.
- Work using Wolf Enterprise Software to prepare and issue manufacturing details & supply schedules.
- Liaise with customers and provide a knowledgeable service both in the office and on-site visits.
- Attend customer/site meetings as required.
- Liaise with production teams to ensure designs take into consideration costs, targets, and manufacturing capacity.

Qualifications and skills required:

- Experience of working in a similar role, using Wolf or other timber engineering software.
- Excellent communication skills.
- Strong IT skills with good working knowledge of MS Office, Word, Excel, Outlook and reviewing/managing digital drawing files.
- Well-organised and systematic.
- Accurate and detail conscious to ensure it is 'right first time'.

What do we offer?

In addition to a competitive salary we work hard to continuously improve our reward package to make sure we remain an industry leader.

- 30 days holiday per year (inclusive of bank holidays)
- Flexible start and finish times
- Long service Additional Holiday Awards
- Monthly Bonus Scheme
- New Employee Referral Incentive Scheme
