

Offsite Manufactured Dormers

Dormers enhance a 'Room in Roof' design and create additional full height space – we offer a standard prefabricated or bespoke dormer solution to ensure quality, enhance speed of build and reduce working at height. An insulated dormer built offsite as part of your total roof solution from Wyckham Blackwell/Timber Innovations. All dormers are fully engineered to your design and supplied to site either as a 'kit' or 'complete' ready to install.

Fully Designed & Engineered

Offsite Manufactured

Complete Kit
